

Introducing **45** EXCEPTIONAL REASONS to **KEEP YOUR** in-service EQUIPMENT ROLLING!

ABC'S Exclusive **COACH REFURBISHMENT PROGRAM** offers operators flexible options for upgrading their fleets. With our **Customer Fleet Option** you can choose from 45 available component selections designed to refresh and renew your own fleet equipment. Or, take your pick of our **EXCLUSIVE Van Hool C2045R refurb inventory** – featuring an expansive list of exciting upgrades to specially selected Van Hool C2045pre-owned models.

Either way, you can count on ABC's expert team of refurbishment specialists for high quality, fleet overhaul solutions that will keep your equipment rolling in style and operating at peak performance.
