29721 → 29763, 29979 → 29986, 42022 → 42037, 42101 → 42150

DESCRIPTION:

This Bulletin informs of T900 Series lamps and body parts that are no longer available as service replacements.

1. Front turn signal lamps VH 660740530 (RH) and VH 660740525 (LH), have been phased out by Hella, who manufacture these items.
2. Production of head lamp and turn signal lamp bezels VH 10558936 (RH) and VH 10558937 (LF), and grille VH 10558935 has also ceased (Figures 1 and 2).

Description continued on next page.

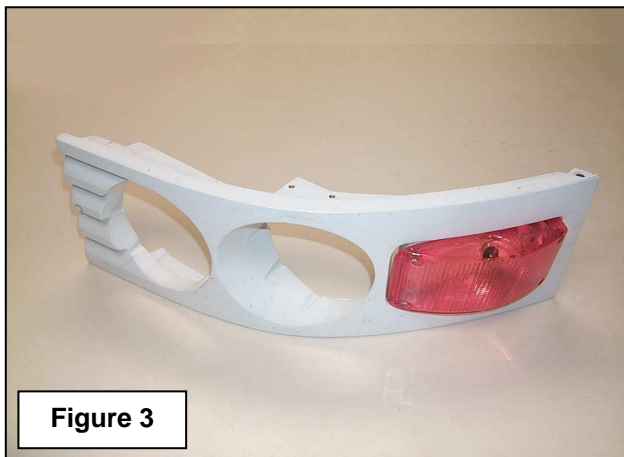

3. To address the issue, Van Hool offer round Arcol turn signal lamp VH 10985539 as service replacement for the old oblong Hella lamps.
To accept the new turn signal lamps, new retro-look bezels have been designed and manufactured.
While not required, a remanufactured grille has been made available to update and complete the appearance of the installation.
Refer to the parts and products section below for more details.

NOTE: *It is recommended that both left and right hand bezels be replaced at the same time to ensure that they can be readily serviced in the field.*
